What's New

In April, Northcott Fabrics put out a plea for **Quilts for Japan**. Karen and friends proudly sent 15 quilts. Thanks to Verna Norkum, Bev Hunter, Geri Nichols, Marina Wright, the Limestone Quilt Guild Community Quilts and, Linda Gordon for donating time on the Longarm Quilting machine.

GO! Fabric Cutters

We have AccuQuilt Go and Go Baby fabric cutters in the shop, as well as the *largest* selection of die cut templates in the area.

The **AccuQuilt Go** and **Go Baby** fabric cutters are easy to use, allow you to create accurate die cuts quickly and are compact so don't take up a lot of valuable storage space in your sewing area. To see the AccuQuilt Go in action, come in and see a demonstration or go to <http://www.accuquilt.com/videos/> to see a video.

Lapel Stick is a temporary fabric adhesive for quilting, sewing crafting and embroidery. Its like a glue stick but created especially for fabric. Carry one in your purse to handle fashion emergencies like fallen hems. It even stops runs in nylons!

Many new fabrics, punch needle books and patterns have arrived. Stop by, have a cup of tea and browse.
